January 13, 2009 (Frisco, TX.)

Frisco Police have filed charges against an Allen man for Criminal Mischief stemming from the incidents where jars of spaghetti sauce were used to damage residences and vehicles. Jonathan William Kirby (18YOA) of Allen was charged with nine counts of Criminal Mischief due to the damage caused when glass spaghetti sauce jars were thrown at local residences and vehicles. The offenses started in July and continued through November. Total damage was estimated at over \$6,000.00. Kirby has posted bond on the charges. Kirby stated that one of the reasons he continued committing the offenses was that he liked the media coverage. No further arrests are anticipated.
